Keep it short. Ask 1 or 2 questions, then bring them to the booth.

1 Ask 1 or 2 questions

Keep it short. They are walking by. Pick from these.

YOU SAY **“Are you looking for an internship or a job?”**

YOU SAY **“Want to meet Ateneo alumni in your field?”**

YOU SAY **“Have you heard of BlueLink?”**

> TIP **Smile. If they stop and answer, go to step 2.**

2 Bring them to the booth

That is the whole goal. Do not explain everything.

YOU SAY **“BlueLink is a network only for Ateneans. Alumni and people who can give internships and jobs are on it. Come see it at our booth!”**

DO Walk with them to the booth.

> TIP **If you let them go, they will not come back.**

3 At the booth

Let them see it on the laptop, then ask them to pay.

DO Show them the app: people, orgs, and what each person is open to.

YOU SAY **“₱99 for 1 year, or ₱250 for lifetime. Cash or GCash?”**

DO Check they are 18 or older, with a student email. Write the code on the back of the card and give it.

> TIP **Help them redeem the code right there. Alumni join free: help them sign up.**

IF THEY SAY

“Why pay?”	“It gives you exclusive access to opportunities in the Ateneo community. Alumni and people who can give internships, jobs, and advice are on it.”
“I’ll come back later.”	“It takes 2 minutes, and we’ll set it up with you right now.”
“Isn’t this just LinkedIn?”	“Only Ateneans are on it, and everyone joined to network with each other.”
“Is my data safe?”	“Yes. Only members see your profile. We never sell your data, and you can delete it any time.”
“What if I don’t like it?”	“Full refund within 7 days.”
